

REMARKS

On page 20 of the Office Action, claim 61 was identified as containing allowable subject matter. Claim 61 was dependent on claim 49 and by this Amendment, claim 49 has been combined with allowable claim 61 to in effect present claim 61 in independent form. Claims 67 and 68 have been canceled and all of the remaining claims depend directly or indirectly on amended claim 49 which is believed to be allowable.

This Amendment renders moot the rejections over the prior art and it is requested that the rejections of record be withdrawn and all claims allowed.

An early and favorable action is earnestly solicited.

Respectfully Submitted
